A Smile as Big as the Moon is a Hallmark Hall of Fame television movie. The film debuted on ABC on January 29, 2012. John Corbett stars in this film based on the 2002 memoir of the same title by teacher Mike Kersjes and Joe Layden. The movie shows the challenges Kersjes faced as he worked to bring out the best from his special education students by taking them to Space Camp, which had, until that time been perceived as a program best suited to advanced science and math students, well beyond the

Besides being a football coach at his Michigan High School, Mike Kersjes taught special education classes, dealing with children whose disabilities included Tourette syndrome, Downs Syndrome, dyslexia, eating disorders and a variety of emotional problems. One autumn Kersjes got the outlandish idea that his students would benefit from going to Space Camp, where, in conjunction with NASA, high school students compete in a variety of activities similar to those experienced by astronauts in training for space shuttle missions. There was only one problem: this program had been specifically designed for gifted and talented students, the best and the brightest from America's most privileged high schools. Kersjes believed that, given a chance, his kids could do as well as anybody, and with remarkable persistence broke down one barrier after another, from his own principal's office to the inner sanctum of

NASA, until Space Camp opened its doors, on an experimental basis, to special ed students. After nine months of rigorous preparation, during which the class molded itself into a working team, they arrived at Space Camp, where they turned in a performance so startling, so surprising, that it will leave the reader breathless. A truly triumphant story of the power of the human spirit.

A special education class experiences what it is like to be astronauts when their teacher takes them to Space Camp.

When sixteen years John T. Unger leaves for a vacation with a wealthy school mate of his, he doesn't know yet what he is about to encounter. His school friend's family is not only rich; they are 'rich rich' – and the family has decided to build a house inside a giant diamond. As if the giant diamond would not be enough, soon John is in the middle of unexpected and thrilling events. 'The Diamond as Big as the Ritz' is F. Scott Fitzgerald's novella published in 1920. F. Scott Fitzgerald (1896–1940) is one of the greatest American novelists of the 20th century and author of the classics 'Tender is the Night' and 'The Great Gatsby'. His writing helped illustrate the 1920s Jazz Age that he and wife Zelda Fitzgerald were in the centre of.

Rosy Cole is in deep trouble when Uncle Ralph chooses her as the subject of his book and submits her to his own ambitions.

Mo' money, mo' problems - the mantra of the streets. Truer words have never been spoken; just ask Money Mike and Nook, two brothers from Chicago who reign supreme. Nothing was ever handed to the two brothers; from a young age they were under the tutelage of Uncle Bleu who made sure they both knew how to get it out the mud and make sure their names rang bells. Making sure that their reign was respected and not solely based on fear, they enlisted

the help of their boys Terrell and Tim and together, the four cause a shakeup on the Westside of Chicago like never before. Trouble arises in gangsta paradise when an unforeseen illness threatens to take Bleu's life. But in the wake of bad news, a successor is chosen amongst the four but not all parties are happy and ready for the new King to be throned. What happens when jealousy lurks in the shadows and a vixen is sent to the concrete jungle to snatch the crown and take it back to her man? BBD said it best, "Never trust a Big Butt and a Smile" but author Caryn Lee weaves the tale to make you see why not every smile is to be trusted.

Ella May lives on a plantation but she doesn't live in the great house. She is a slave. It's dark in the morning when Ella May heads to the fields to pick cotton. And it's sunset when she comes home. But her day isn't done, not yet. Ella May still has important work to do. She's got to listen. Each night Ella May and her friends secretly listen outside the windows of their master's house. The children listen in the hopes of gleaning information about their fates and those of their loved ones. Who will be sold? Who will stay? The lives of slaves depended on the inclinations of their owners. They had no control over their daily lives or futures. But they could dream. And when the promise of freedom appears on the horizon, the children are the first to hear it. Gloria Whelan's other titles in the Tales of Young Americans series include *Friend on Freedom River* (Jefferson Cup honor book) and *Mackinac Bridge: The Story of the Five-Mile Poem* (2007 Michigan Notable Book). Eyes as Big as Plates is an ongoing collaborative photography and sculpture project by Norwegian-Finnish artist duo Karoline Hjorth and Riitta Ikonen (both born 1980). Initially a play on characters from Nordic folklore, the series has evolved into a search for the human connection to nature. Hjorth & Ikonen work together throughout the process with their complementary skills (Karoline is the photographer in the duo, while Riitta works mainly with the creation of the wearable sculptures). Since 2011 the duo has collaborated with retired farmers, fishermen, zoologists, plumbers, opera singers, housewives, artists and academics. Each character inhabits the landscape in a wearable sculpture made from natural materials. The book features portraits, field notes, essays and behind-the-scenes stories from many of the project's 60 shoots. With international press coverage in the Huffington Post, the BBC, TIME LightBox, Life and elsewhere, plus a highly successful Kickstarter campaign attracting a large American audience, the series has developed into a project with universal appeal.

Joel Osteen, the smiling preacher, has quickly emerged as one of the most recognizable Protestant leaders in the country. His megachurch, the Houston based Lakewood Church, hosts an average of over 40,000 worshipers each week. Osteen is the best-selling author of numerous books, and his sermons and inspirational talks appear regularly on mainstream cable and satellite radio. How did Joel Osteen become Joel Osteen? How did Lakewood become the largest megachurch in the U. S.? Salvation with a Smile, the first book devoted to Lakewood Church and Joel Osteen, offers a critical history of the congregation by linking its origins to post-World War II neopentecostalism, and connecting it to the exceptionally popular prosperity gospel movement and the enduring

attraction of televangelism. In this richly documented book, historian Phillip Luke Sinitiere carefully excavates the life and times of Lakewood's founder, John Osteen, to explain how his son Joel expanded his legacy and fashioned the congregation into America's largest megachurch. As a popular preacher, Joel Osteen's ministry has been a source of existential strength for many, but also the routine target of religious critics who vociferously contend that his teachings are theologically suspect and spiritually shallow. Sinitiere's keen analysis shows how Osteen's rebuttals have expressed a piety of resistance that demonstrates evangelicalism's fractured, but persistent presence. *Salvation with a Smile* situates Lakewood Church in the context of American religious history and illuminates how Osteen has parlayed an understanding of American religious and political culture into vast popularity and success.
