"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Edited by John Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. This enduring bestseller, written over six months when Lee was bedridden with back problems, compiles philosophical aphorisms, technique explanations, and sketches by the master himself.

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts—collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world—by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do—combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master—and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice around the world—including Mixed

Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

Compiled from Bruce Lee's own notes and writings, Bruce Lee Jeet Kune Do is the seminal book presenting the martial art created by Bruce Lee himself. Jeet Kune Do was a revolutionary new approach to the martial arts in its time and is the principal reason why Bruce Lee is revered as a pioneer by martial artists today, many decades after his death. The development of his unique martial art form—its principles, core techniques, and lesson plans—are all presented in this book in Bruce Lee's own words and notes. This is the complete and official version of Jeet Kune Do which was originally published by Tuttle Publishing in cooperation with the Lee family in 1997. It is still the most comprehensive presentation of Jeet Kune Do available. This Jeet Kune Do book features Lee's illustrative sketches and his remarkable notes and commentaries on the nature of combat and achieving success in life through the martial arts, as well as the importance of a positive mental attitude during training. In addition, there are a series of "Questions Every Martial Artist Must Ask Himself" that Lee posed to himself and intended to explore as part of his own development, but never lived to complete. Bruce Lee Jeet Kune Do is the book every Bruce Lee fan must have in his collection. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body

Over eight-hundred entries offer insight into the beliefs and wisdom of Bruce Lee.

Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic "be water" philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

A collection of interviews with the martial arts master reveals his personal philosophy and thoughts on such issues as racism, success, and the challenges and triumphs of his personal and professional life
