Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

Essential Avengers Volume 1 Tpb

Essential Avengers 1 contains issues #1-24. The first 8 issues feature the dynamic duo of Stan Lee and Jack Kirby. Kirby would return for two more issues in this volume but Don Heck took over after him. Heck was a step down from Kirby with his art going up and down, but he eventually improved by the last few comics in this collection.

Volume 3 of "The Essential Avengers" is where the Marvel superhero group finally starts to grow up. Part of the reason is because John Buscema became the resident artist (through issue #62), marking the first time that the artwork was a strong selling point, but the more important reason was that the group finally came up with an original group ...
