5 Steps to Selling the Solution, Not Just the Product

At this step of the sales process, you should try to identify and address any concerns that arise after the demo. Reiterate the cost of not purchasing your product (i.e. leverage the fear of missing out on a good deal) and answer whatever questions the prospect has about your solution, brand, and prices.

The 8-Step Sales Process that Leads to Higher Productivity ...

Sometimes this is also referred to as solution-based selling. Solution selling is a sales methodology. Rather than just promoting an existing product, the salesperson focuses on the customer's pain(s) and addresses the issue with his or her offerings (product and services). - Wikipedia. In a previous

article we discussed how to begin the ...

The 6 Principles of a Consultative Sales Process

The first step in the process involves prospecting. With this step in the process, sales representatives look for new customers that they can potentially sell their products to. This can be done by cold calling or by going out into the market and talking to people. This part of the process is a numbers game, and the sales representative has to contact many people.

The Seven Steps of the Personal Selling Process | Bizfluent

When the Seven-Step Selling Process Is Used. As you learned in Chapter 3 "The Power of Building Relationships: Putting Adaptive Selling to Work", the sales process is adaptive, which means that each situation may be different and salespeople have to adapt and understand what is important to each customer and where each is in the buying process. But in order for a salesperson to use adaptive ...

It's a Process: Seven Steps to Successful Selling

A sales process is a template for achieving sales objectives and replicating a desired level of performance by sales reps. It lays out a repeatable series of steps a salesperson takes to turn an early stage lead into a new customer.

Building a Sales Process: 7 Steps for Consistent Wins

Solution selling is a type and style of sales and selling methodology. Solution selling has a salesperson or sales team use a sales process that is a problem-led (rather than product-led) approach to determine if and how a change in a product could bring specific improvements that are desired by the customer. The term "solution" infers that the proposed new product produces improved outcomes ...

Solution selling - Wikipedia

The first of the seven steps in the sales process is prospecting. In this stage, you find potential customers and determine whether they have a need for your product or service—and whether they can afford what you offer. Evaluating whether the customers need your product or service and can afford it is known as qualifying.
