Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The thickness of a wine glass's rim impacts how the wine flows onto your tongue while you drink it, and can therefore impact how you taste the wine. A more thinly cut rim with no lip allows wine to flow smoothly onto your tongue. Thicker, more rolled rims inhibit smooth flow onto your tongue and can accentuate acidity and harshness in the wine.
