Scared, immobilized rodents are easy lunch for barn owls. For white barn owls, the Moon also makes night work easier. Indeed, the white plumage of some barn owl is unique among nocturnal owls....

The owl and the Moon | Nature Research Ecology & Evolution ...

Ghostly pale and normally strictly nocturnal, Barn Owls are silent predators of the night world. Lanky, with a whitish face, chest, and belly, and buffy upperparts, this owl roosts in hidden, quiet places during the day. By night, they hunt on buoyant wingbeats in open fields and meadows. You can find them by listening for their eerie, raspy calls, quite unlike the hoots of other owls.

Barn Owl Identification, All About Birds, Cornell Lab of ...

White Owl, Barn Owl: Read and Wonder: Davies, Nicola ...

The Barn owl is resident all year long in California. To me they are actually the cutest of the California birds of prey. They can reach a size of just about 16 inches and also possess a wingspan of a little over 4 shoes. Their weight can get near 25 ozs. They prey typically on rodents like rodents as well as mice.

25 California Birds of Prey [Complete with pictures]

The white owl lies on newspaper in the passageway, black-eyed, breathtakingly beautiful, utterly unmarked; but as I pick it up its head lolls loosely and road grit falls from its feathers, pattering down. I gently stretch out one archangel wing and its tendons tighten to retract it. For an awful moment I believe it is still alive, and suffering.

Winter reflection: A barn owl, fallen from the skies

White-tailed kites hunted daily and paired off. Even the harriers had a baby - or maybe the male took a second mate (they can have up to five.) I couldn't be sure. Even the local barn owl appeared in all its beauty and gave me a few dusk shows, before its tree nest was downed by a January storm.

The Beautiful Geometry of Short-eared Owls - Bay Nature

White Owl, Barn Owl is another great story in the Read and Wonder series. Its about a little girl and her grandfather. She helped her Grandfather build a large wooden box, but when she asked him what it was for she had to wait.
